

IMR 2020

INTERDISCIPLINARY MANAGEMENT RESEARCH XVI INTERDISZIPLINARE MANAGEMENTFORSCHUNG XVI

The **IMR 2020: 16th International Conference on Interdisciplinary Management Research** aims to bring together academic scientists, research scholars and practitioners to exchange and share their research results and (business) experiences on all aspects of Management and related fields. It is an interdisciplinary platform for academic scholars and practitioners and educators to present and discuss the most recent trends and concerns as well as practical challenges encountered and solutions adopted in the field of Management as well as in the fields such as Economics, Financial Economics, Industrial Organization, Law & Economics etc.

The IMR 2020 particularly welcomes the Ph.D. students in order to provide them an opportunity to present and discuss their research as well as to get a reaction of the work they are doing by fellow Ph.D. students, as well as academic scholars and practitioners. The conference's environment is friendly and relaxed and offers a chance for Ph.D. students to network with academics and practitioners to develop their own professional relationships.
